**HELP TO STOP THE SPREAD OF
COVID-19**

Per the New York State Department of Health, while there is currently no vaccine to prevent this virus, the following steps can help stop the spread of COVID-19 and other respiratory viruses:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

VILLAGE OF CORFU

COMMITTEE UPDATES

- **Farm to Foodies** (farmers market and food truck) kicks off Monday May 25 (location TBD) featuring local food trucks, farmers and more
- **Better Corfu** is looking for volunteers for all events. Follow us on FB for upcoming events.
